The eight 'Witchlets of Witches Brew' tales are centred on eight friends, who are young Pagans and also Witches. The friends; Holly, Birch, Ash, Willow, Ivy, Hazel, Rowan and Yew all live in the Village of Brew, commonly known by the name of 'Witches Brew' because everyone who lives there is a Witch!

Now, these Witches are not like the ones you see in stories or at Halloween. They are not little green, warty ladies with black pointy hats and broomsticks. No, these Witches are the real kind, who look and dress just like everyone else.

All the children of Brew go to the local village school called The Elementary School, where parts of the school buildings face towards each of the four directions; North, East, South and West which correspond to four elements of Earth, Air, Fire and Water. Hence, why, it is called the 'Elementary school'.

Everyone in Brew worships the land and the seasons, they celebrate the wonders of life and nature during their eight special festivals each year. Each of the eight Pagan Celebrations sees deep changes in each child's life and each tale is relative to the yearly Celebrations, around which it is set.

Many of the characters you will meet are in more than one of these tales. Each of the girls have the attributes and personalities of the plants or trees they are named after, if you look carefully you may be able to spot them.

Throughout these stories of change, the girls learn to become better people and to appreciate life, family and nature more.
